

## Leaves Galore Techniques Rotary Cut Appliqué Class

### Supply List

**Class Description:** In this class you will make samples of some of the things you can do with Leaves Galore. We will make samples of fused leaf and vine borders, flowers, dragonflies and more. Come see how Sue's quick rotary cut appliqué techniques can enhance your quilts. We will learn many techniques that you can incorporate into your next quilt. Go home with your samples and written instructions on how to make each of them. There is no sewing in class, just cutting, fusing and creating!

### **Required Supplies:**

- ☐ 28mm rotary cutter with brand new blade\*
